Reference: Application Number 10/725,172, Entitled **PET RAMP**, by Lawrence Bishop

Dear Commissioner:

It is my privilege to submit on behalf of Mr. Lawrence Bishop the PTOL-85 and a PTO-2038 for the purpose of response to the notice of allowance mailed on April 6, 2005. The PTOL-85 reflects that there have been no changes in the status or mailing address for the Applicant and that \$1,000.00 in total fees are presently due. The PTO-2038 accomplishes payment of the fees by my credit card account.

Thank you very much for your attention to this matter. Please let me know if there are any further requirements or if any present requirement has not been completely fulfilled by this submission. If so, a notice of informality or other means for permitting completion of any required task is respectfully requested.

Very truly yours,

Charles E. Lykes, Jr.

NOTICE OF PUBLICATION OF APPLICATION

The above-identified application will be electronically published as a patent application publication pursuant to 37 CFR 1.211, et seq. The patent application publication number and publication date are set forth above.

The publication may be accessed through the USPTO's publicly available Searchable Databases via the Internet at www.uspto.gov. The direct link to access the publication is currently <http://www.uspto.gov/patft/>.

The publication process established by the Office does not provide for mailing a copy of the publication to applicant. A copy of the publication may be obtained from the Office upon payment of the appropriate fee set forth in 37 CFR 1.19(a)(1). Orders for copies of patent application publications are handled by the USPTO's Office of Public Records. The Office of Public Records can be reached by telephone at 703-605-4283 or (800) 972-6382, by facsimile at (703) 305-8759, by mail addressed to the United States Patent and Trademark Office, Office of Public Records, Alexandria, VA 22313-1450 or via the Internet.

In addition, information on the status of the application, including the mailing date of Office actions and the dates of receipt of correspondence filed in the Office, may also be accessed via the Internet through the Patent Electronic Business Center at www.uspto.gov using the public side of the Patent Application Information and Retrieval (PAIR) system. The direct link to access this status information is currently <http://pair.uspto.gov/>. Prior to publication, such status information is confidential and may only be obtained by applicant using the private side of PAIR.

Further assistance in electronically accessing the publication, or about PAIR, is available by calling the Patent Electronic Business Center at Pre-Grant Publication Division, 703-605-4283.
